## TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE Transcriber's Office FLOOR DEBATE

March 26, 2002 LB 1040

SENATOR VRTISKA: Well, I understand that and that...of course, that's where my real problem lies. You look at some of these bills that are \$262.50...

SPEAKER KRISTENSEN: One minute.

SENATOR VRTISKA: ...and \$150 and various amounts, but when you get to this, where there's no accounting of the time, they're all \$500 right down the page, and that makes you a little bit concerned about why would not any attorney who takes these cases on want to say I want 500 bucks or I won't do it? I mean, I guess he has to do it, but he can charge without taking care...taking the trouble to account for his time; charge whatever he feels that we'll stand. You know, there's some of them here that they spent and hour and three-quarters and charge \$175, and some of them are \$250, some of them are \$100. But here we have a whole row from Lincoln County that are all \$500 and that really bothers me that there isn't any oversight in this issue and I think it's something that we need to address. With that, I'll return the rest of my time back to the Chair. Thank you, Senator Connealy.

SPEAKER KRISTENSEN: Senator Beutler.

SENATOR BEUTLER: Senator Connealy, just for...first of all, a question and then a thought. The question is the claims that are in this bill right now, has the court ordered us to pay these claims?

SENATOR CONNEALY: Yes.

SENATOR BEUTLER: Okay. So, as part of a court decree, each and every one of these claims has been ordered paid?

SENATOR CONNEALY: Yes, the court has approved the claim under its jurisdiction so in Lincoln County...

SENATOR BEUTLER: I mean did they...there was a...there was a specific case and a specific claim in that case, right?
